BACKGROUND

Subchapter D of Chapter 31 of the Texas Election Code provides that the City may contract with the county elections administrator for certain election services. Chapter 271 of the Texas Election Code provides that the City may enter into an agreement with other political jurisdictions that may be conducting elections on the same day in election precincts that can be served by common polling places.

The City of Dallas and other political jurisdictions in Dallas, Collin and Denton Counties will conduct elections on Saturday, May 1, 2021. This action authorizes the City to hold the May 1st general election jointly with jurisdictions that share common polling places and contract with the Dallas County Elections Department for election services. The City has been a party to similar joint election agreements for many years.

Chapter IV, Section 11 of the Dallas City Charter states, in part, "If no candidate for a particular office receives a majority of the votes cast for all candidates for that office in the first election, a runoff election for that office is required...." In the event a runoff election is necessary, the Elections Administrator will provide the City Secretary with an itemized list of additional estimated election expenses which will be presented for city council approval at a future date.
