### **BACKGROUND**

Since 2010, the Health and Human Services Commission (HHSC) funded the Dallas Lactation Care Center through a grant contract with the City of Dallas Women, Infants and Children (WIC) Program. The Dallas Lactation Care Center is a specialty walk-in clinic located in the heart of the Dallas Medical District. The staff includes a Registered Nurse, Internationally Board Certified Lactation Consultants (IBCLC) and Breastfeeding Peer Counselors who provide comprehensive breastfeeding support and assistance to mothers currently enrolled in the WIC Program. The Dallas Lactation Care Center also serves as a training center for students and resident physicians who want to expand their knowledge in the field of lactation. In 2014, the Dallas Lactation Care Center received the IBCLC Care Award which is recognition by the International Board of Lactation Consultant Examiners and International Lactation Consultant Association for excellence in lactation care.

The City of Dallas will work with the HHSC, Community Health Improvement Division, Maternal and Child Health Unit to develop and implement the Lactation Support Center Services - Strategic Expansion Program. This program, through the Dallas Lactation Care Center shall provide population-based public health services and implement strategies that will increase accessibility, quality and coordination of breastfeeding support services in the contractor's service delivery area. The services provided under this contract complement and expand upon the services by the City of Dallas under the HHSC WIC Dallas Lactation Center contract, by which the HHSC WIC Program funds the City of Dallas to act as: (1) a lactation resource center for the Special Supplemental Nutrition Program for mothers with breastfeeding problems; (2) a training center for WIC local agency staff and other health providers to receive clinical experience working with breastfeeding mothers; and (3) a statewide Breastfeeding Resource Center for health providers to utilize for information and assistance when working with pregnant and breastfeeding women.

The total amount of this contract will not exceed \$1,675,000.00, of \$490,000.00 is funding from Department of State Health Services, while \$45,000.00 is federal pass-through funding for Fiscal Year (FY) 2022. With all renewals exercised, the total contract amount in two years is projected to be \$1,675,000.00.
