### **SUBJECT**

Authorize a construction services contract to provide construction services for the Elevator Upgrades Phase 1 Project at the Dallas Airport System - Elevator Repair Service, Inc., only proposer - Not to exceed \$1,646,282.00 - Financing: Aviation Fund

### **BACKGROUND**

Dallas Airport System initiated an analysis of existing elevators in the system in January 2020 to identify and prioritize repairs and/or rebuilds to maintain safety and extend useful life of the elevators. Thirty-two elevators with original installation dates from 1997 through 2018, were analyzed. The analysis was completed in June 2020, identified all ten existing elevators in Garages A and B at Dallas Love Field (DAL); elevators 13 and 14 in Dallas Love Field terminal building; and two elevators in outlying buildings as units requiring upgrades and modernization.

The current contract will authorize a construction services contract with Elevator Repair Service, Inc. for the following construction services:

- Complete modernization and upgrade of four elevators in Garage A including new control systems, hydraulic power units, and hydraulic jack assemblies.
- Complete modernization and upgrade of DAL terminal building elevators 13 and 14 including new controls systems, hydraulic power units, and an alternate option for replacement of hydraulic jack assemblies.
