BACKGROUND

Approval of this item will allow the City to continue to fund a specialized, proactive investigative unit focused on the prevention of automobile theft. The City has been a recipient of the MVCPA Grant for 28 years and has received over \$12.5M in grant funding during that time.

The group targets commercial auto theft offenders who profit from vehicles stolen each year in Dallas, including salvage yards, chop shops, wrecker services, used car dealers, and large organized auto theft rings. Work done through this unit allow Dallas Police Department to recover stolen vehicles and proactively combat auto theft, burglaries, and auto theft from fraud.

If accepted, this grant will fund one sergeant, four senior corporals, and some necessary equipment. Required cash match of \$176,785.00 will be met by the use of one senior corporal and In-Kind contributions in the amount of \$824,570.00 include one office assistant and four senior corporals assigned full-time to grant activities. This funding is already programmed into the departmental budget.
