BACKGROUND

Approval of this item will allow the City to continue to fund a specialized, proactive investigative unit focused on the prevention of automobile theft. The City has been a recipient of the MVCPA Grant for 28 years and has received over \$13.5M in grant funding during that time.

The group targets prolific auto theft offenders who profit from vehicles stolen each year in Dallas, including salvage yards, chop shops, wrecker services, car dealers, and large organized auto theft rings. Work done through this unit allow the Dallas Police Department to recover stolen vehicles and proactively combat auto theft, burglaries, and auto theft from fraud.

From 2005 to 2019, the total number of unauthorized use of vehicles reported has decreased from over 14,000 to about 12,000. If accepted, this grant will fund one sergeant, four senior corporals, one office assistant and equipment, requiring a cash match of \$176,785.00 will be met using one senior corporal assigned. In-kind contributions in the amount of \$824,570.00 and that will include four senior corporals assigned full-time to grant activities. This funding is already programmed into the departmental budget.
