BACKGROUND

On January 27, 2021, the City Council authorized the acquisition of this property by Resolution No. 21-0224; and on April 13, 2022, the City Council authorized acquisition through the use of condemnation by Resolution No. 22-0589. The property owner was offered \$32,043.00, plus closing cost and title expenses not to exceed \$2,692.00, which was based on a written appraisal from an independent appraiser. The property owner of record refused offer and the City filed an eminent domain proceeding to acquire the property. After a hearing on December 5, 2023, the Special Commissioners awarded the property owner \$65,000.00. This item authorizes deposit of the amount awarded by the Special Commissioners for the property, which is \$32,957.00 more than the City Council originally authorized for this acquisition.

The City has no control over the Special Commissioners appointed by the judge or any award that is subsequently rendered by the Special Commissioners. The City, in order to acquire possession of the property and proceed with its improvements, must deposit the amount awarded by the Special Commissioners in the registry of the Court.
