STRATEGIC PRIORITY: Public Safety
AGENDA DATE: April 24, 2024
COUNCIL DISTRICT(S): All
DEPARTMENT: Police Department
EXECUTIVE: Jon Fortune

SUBJECT

Authorize a three-year purchasing agreement for web-based software subscriptions for the Police Department Nighthawk.Cloud, Inc., sole source - Estimated amount of \$561,740.00 - Financing: General Fund

BACKGROUND

This action does not encumber funds; the purpose of a purchasing agreement is to establish firm pricing for services, for a specific term, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement, so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This sole source purchasing agreement will provide for web-based software subscriptions for the Police Department. The subscriptions allow detectives in combing through digital data, a process that had previously been performed manually, at times involving 30,000 pages. While the department has recently expanded to 51 licenses in effort to comply with the Richard Miles Act, the Police Department will expand to 150 licenses to equip approximately 35-40% of investigators, leading to additional time savings. To date, this software has assisted in the seizure of approximately \$448,000.00 in cash, 60 firearms, over 250 lbs of narcotics, and multiple stolen vehicles.
