BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

August 12, 2026

SECTION 1. That, pursuant to the requirements of the Act, the City Council, after reviewing the proposed FY 2026-27 Service Plan and 2026 Assessment Plan for the District, will consider approval of the final FY 2026-27 Service Plan and 2026 Assessment Plan, subject to the public hearing on August 25, 2026.

The City Council makes the following findings concerning the Service Plan for the District:

- (a) Advisability of the Services Proposed for the District.** The District promotes the interests of the City and confers a special benefit to the property within its boundaries and it is advisable to continue the District and to provide the services and improvements described in this resolution.
- (b) Nature of the Services and Improvements.** The purpose of the District is to supplement and enhance services provided within the District. The general nature of the proposed services and improvements to be performed by the District includes, but is not limited to: incentives and sales efforts, marketing (promotion/advertising), site visits and familiarization tours, event funding application pool, and related expenses incurred in establishing, administering, and operating the District as authorized by the Act.
- (c) Estimated Cost of the Services and Improvements.** During the next five-year period, the estimated annual cost of the improvements and services provided by the District is expected to range from a low of \$20,789,368.00. in fiscal year (FY) 2030 and to a high of \$26,630,205.00 in FY 2031. The total estimated net assessments to be collected during the next five-year period is approximately \$108,673,447.00. The District shall incur no bonded indebtedness.
- (d) Boundaries.** The boundaries of the District are located within the City of Dallas, Dallas County, Texas and City of Dallas, Collin County, Texas. The boundaries of the District are attached to the resolution as shown in **Exhibit A** and shall solely include non-contiguous hotel properties with 100 or more rooms within the city of Dallas as shown on the attached list marked **Exhibit A-1**.
- (e) Method of Assessment.** The District assessment will be levied on hotels with 100 or more rooms ("qualifying hotels") located within the District. The proposed cost of the services and improvements to be provided shall be assessed in a manner that results in imposing equal shares of the cost of the services qualifying on hotels that are similarly benefited. Under the Act, the apportionment of the cost of the services against property in the District territory must be made on the basis of special benefits accruing to the property because of the services and improvements provided. The total cost of the services and improvements to be provided shall be apportioned at a rate of two percent of room-nights sold at qualifying hotels located within the District territory until the collective total budget for the renewal period is reached. Accordingly, those qualifying hotels that sell

more rooms will pay a greater portion of the assessment since those properties benefit more from the promotion and marketing services provided by the District. Rooms that are not subject to the City's hotel occupancy tax shall not be included for the District assessment. The total assessment must be reviewed and approved annually by the Dallas City Council. The future cost of services and improvements that are budgeted in the FY 2026-27 Service Plan may be increased in amounts indicated in subsequent Service Plans, beyond the amount shown subject to the limitations on the assessment per occupied room and the aggregate amount approved in the petition.

- (f) Apportionment of costs between the District and the Municipality as a Whole.** The District shall continue to pay the cost of the supplemental services described in the Service Plan by assessment against the hotels with 100 or more rooms within the District, including City-owned qualifying hotels located within the District territory, such as the Omni Hotel.

SECTION 3. That a virtual and in-person public hearing shall be held no earlier than 1:00 p.m. on August 25, 2026 in the City Council Chambers, Dallas City Hall, 6th floor, 1500 Marilla Street, Dallas, Texas, 75201, at which time any interested person may appear and speak for or against the setting of an assessment against real property and real property improvements, exclusive of ROW, to continue funding for the District for the purpose of providing supplemental services and improvements.

SECTION 4. That notice of such public hearing shall be published in the official newspaper of the City of Dallas and mailed to the property owners in the District before the 10th day before the public hearing.

SECTION 5.
